Clovis, NM 88101

To all YHEC Coaches, Volunteers, Participants, and Parents

We are in the process of trying to put together the 2021 YHEC State competition. Just like last year, there are still a lot of unknowns, so please bear with us.

Because of the location of YHEC (Raton), we are having to deal with the mandates for that county. If they get to the Turquoise level, we should be OK. Please bear in mind that this could change if the governor makes changes. If I have it right, with the governors two week changes, that could put the change on Wednesday just before YHEC. I think that she usually gives you a few days before the new mandate kicks in, so hopefully we could have YHEC over and done.

But we will still have to abide by NRA Whittington Center rules.

We are asking you to please follow the State Covid 19 guidelines, such as;

If you have been sick or have been exposed, Please DO NOT come to YHEC.

Please keep social distancing in mind and your groups small.

Please bring masks just in case.

We will deal with logistical issues as the COVID situation warrants. One possibility is having the awards outdoors. If we do have it in the Coors building, we will probably do the awards by age class and ask that if you DO NOT have a kid in that age class, that you remain outside until your class is called. Hopefully, we will be able to keep the size under the 150 person indoor limit.

In talking to personnel from G&F, the likelihood of their help is slim so we may be asking for coaches and parents help at some of the events.

Lastly, please pass this on to everyone that you know that is involved with YHEC.

Hope to see you June 4th, 5th, and 6th, 2021
